

TerraCycle at Olive Chapel Elementary

What is TerraCycle?

TerraCycle is a company with the mission to eliminate the idea of waste. They recycle or upcycle items that have been previously hard to recycle.

How can you help?

Allowing a student or parent from OCE to leave a collection box labeled with the items to be collected in your office or workspace.

What items are being collected?

The PDF document accompanying this message (cheatsheet) summarizes all of the items being collected by Olive Chapel at this time. You can choose to participate in any or all of the categories.

How do I get the items to Olive Chapel?

Make sure the student or parent leaves a phone number on the collection box which you can use to reach them when the box becomes full. They will then pick up the items, leave a fresh bag for the collection box, and bring the items to OCE. Our volunteers will then ship the items to TerraCycle.

What does your involvement do for our school?

Helping to boost our collections for Olive Chapel's recycling program not only helps promote earth- friendly habits but also helps to earn money for our school beautification program.

What does your help mean to us?

We are so appreciative of any help we can get boosting our collections. We will be happy to create a link to your business on our website (olivechapelterracycles.weebly.com) as a thank you for your contribution.

What might a collection box look like?

Where can I get more information?

olivechapelterracycles.weebly.com or terracycle.com
